Enrolment and immunisations

The Government's No Jab No Play laws require all children to be age-appropriately immunised before enrolment can be confirmed.

Parents/guardians offered tentative places will be asked to provide immunisation documentation to Kinglake Ranges Children's Centre with the enrolment form that shows that their child's immunisations are up to date for their age or that an exemption applies.

Confirmation of places is finalised after the documentation has been assessed that the child is up to date or that the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or that the child has a medical reason not to be vaccinated or that the child has been assessed as being eligible for a 16 week grace period.

Further information on immunisation requirements for enrolment in early childhood services is available on the State Government's [Better Health Channel](https://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play) at www.betterhealth.vic.gov.au/campaigns/no-jab-no-play
